EMPLOYMENT TYPE	FULL-TIME	REPORTING STRUCTURE	Chief Technology Officer

WHO WE ARE

Prodigy Network is one of the world's leading real estate crowdfunding platforms. Prodigy provides investors from around the world with the opportunity to invest in institutional quality real estate. Prodigy Network is a vertically integrated investment platform that finances, develops and manages directly or indirectly each of its properties.

Prodigy Network also created The Assemblage; the first co-working, co-living and social event spaces crowdfunded by its members. Individuals from 27 countries provided over \$150 Million of the total \$400 Million needed for the construction of the initial three buildings in New York City.
